San Jose St., Poblacion, Sibulan, Negros Oriental

NERI C. OJASTRO, EdD CESE
School Division Superintendent

Dear Neri C. Ojastro,

We hope this letter finds you well. We at Five-Star Memorial Services would like to express our utmost gratitude for the excellent work your office does in educating and nurturing the students of the entire province of Negros Oriental.

Since we are planning to deliver this information to all districts of Negros Oriental under the Negros Oriental School Division territory, we designated trained district representatives from our office to conduct informative orientation to the respective schools in every district to the entire school of Negros Oriental Division.

We humbly ask for your permission to provide a brief orientation to your teachers about the services we offer at Five-Star Memorial Services.

Our company provides affordable and high-quality funeral services that can help ease the burden of families during their time of need. We are confident that by informing your teachers about our services, they can better guide their students and families on how to cope during such difficult times.

The orientation will only take approximately 30 minutes, and it will cover essential topics such as the importance of memorial services, our available services, payment options, and how to contact us.

We understand that your schedule is busy, and we are willing to work around your availability to ensure that the orientation does not disrupt your office's routine.

Thank you for considering our request. We hope to work with you soon and provide valuable information to your teachers.

Best regards,

Jaime Fortuito Pontillas
FIVE-STAR MEMORIAL SERVICES CEO
