SDS NERI C. OJASTRO ED.D, CESE
Schools Division Superintendent
Negros Oriental

**SUBJECT: SKILLS TRAINING ON CODING, WEB, AND MOBILE APP
DEVELOPMENT FOR STUDENTS AND TEACHERS**

Dear SDS Ojastro:

I hope you are doing well.

Recently, ITsApp2U IT Solutions communicated to DepEd Region VII its desire to offer IT skills training to teachers and students in Region VII, including Dumaguete. We are grateful that our intent to discuss our program with schools has been disseminated to DepEd officials, staff/personnel, and the concerned public via RA 0094 s. 2023, a copy of which is attached to this letter for your office's reference.

We are offering IT training courses for students and teachers with easy-to-use tools and platforms that allow them to **design websites and develop web and mobile applications**. They will also learn how to create **digital animations and games**. Our training focuses heavily on **logical thinking and problem solving skills**, which will surely **enhance the students' academic performances**. Additionally, they can also use the skills they acquire to possibly **earn an income**. For teachers, they will learn how to use digital tools and platforms that **will improve their efficiency and effectiveness in delivering the subjects assigned to them**. These courses will offer new skills that will provide a massive boost to their **continuing professional development**. We believe that our courses will improve the lives of students and teachers.

In relation to the regional advisory, we are planning to start talking to students, teachers, and school leaders in the Division of Negros Oriental regarding our training program. Hence, we would like to ask permission from your office to allow us to do so. We would also like to seek your advice and guidance on how we can do this so that we will not disrupt the classes in the schools that we will be visiting.

Thank you.

Sincerely,

RIGAN AP-APID
CEO, ITsApp2U IT Solutions
09459949605
