BRAND GUIDELINES

“

We know that the road will be bumpy, but our direction is clear.

We know that the challenges are vast but we, Filipinos are resilient.

We will overcome.

***Tayo po ay magiging MATATAG.
Tungo sa isang Bansa Makabata at
Batang Makabansa.***

”

SARA Z. DUTERTE

Vice President of the Republic of the Philippines
Secretary of the Department of Education

The MATATAG logo depicts the tagline **Bansang Makabata, Batang Makabansa**, as the Department aims to establish a nation that values its youth and the Filipino youth that values its nation.

The MATATAG brand mark depicts a small hand, that of the learners, and a big hand, that of educators, partners, and stakeholders. Together, they complete a shape of a heart, representing the love and passion of Filipinos in building a better future for the next generation.

The colors of the MATATAG logo were adopted from the DepEd logo, consistent with the colors of the Philippine flag.

Blue represents the culture of peace and inclusivity the Department continues to uphold.

Yellow stands for the optimism of our learners who strive to achieve their dreams and aspirations.

Red describes the burning passion of our educators, partners, and stakeholders to deliver resilient, quality education for all Filipino learners.

COLORS

Different color schemes based on the color wheel may be used (e.g., complementary, analogous, monochromatic, etc.). It is highly encouraged to limit the colors to four (1 light + 1 dark + 2 vibrant accents).

Ensure that the colors are consistent with the color scheme of the Department and that the overall design has a cohesive and harmonious palette.

Brand Guidelines

IMAGERY

TEXT

Never use more than three fonts in one design. Always define a hierarchy among them by exercising visual contrast through size, weight, or color. Use consistent style and appropriate sizes.

LAYOUT AND COMPOSITION

Use a grid. Grids create a connection between the different elements and give a sense of order.

Give each element on the canvas some space to breathe and balance between positive and negative space will emerge organically. Choose a single focal point that will catch and hold attention.
