DISTRICT ROLL-OUT OF CONTINUOUS IMPROVEMENT (CI) PROCESS

To: Assistant Schools Division Superintendents
Chiefs, CID and SGOD
Public School District Supervisors/District In-charge
School Heads, Elementary and Secondary
All Others Concerned

1. In time of the crafting, enhancement and finalization of the School Improvement Plan (SIP) for 2023 – 2025, the School Heads assisted by the Public School District Supervisor (PSDS) are advised to conduct a reorientation of the Continuous Improvement (CI) process in their respective districts especially those who have not yet started the CI project. The CI process reorientation/roll-out will shed light to the School Planning Team and stakeholders in “strengthening the relationship between the SIP and SRC and harmonizing the planning process with the Continuous Improvement (CI) process. It thereby provides a more evidence-based, responsive, systematic approach that aids the school in planning with their learners’ perspective in mind” (DO No. 44, s. 2015).
2. For School CI Team that need technical assistance, you can invite the Division CI Core Team that are assigned by Congressional District, namely:
 - First Cong. – Jimalalud National High School CI Team
 - Second Cong. – Mabinay National High School Team
 - Third Cong. - Dauin National High School CI Team
Nazario Tale Memorial Elem. School CI Team
3. School CI Projects are expected to be integrated in the SIP and Annual Implementation Plan.
4. For your information, guidance and compliance.
