REGIONAL MEMORANDUM

No. **0310**, s. 2023

NEW MATERIALS IN THE RO VII SCIENCE REPOSITORY - PACKAGE OF ASSESSMENT AND INSTRUCTIONAL RESOURCES IN SCIENCE (PAIRS)

To: Schools Division Superintendents

1. Relative to the efforts of the Department of Education Regional Office VII to help in providing quality and accessible instructional materials to support the teaching-learning process in schools, this Office, through the Curriculum and Learning Management Division (CLMD), will be adding new materials to the **RO VII Science Repository - Package of Assessment and Instructional Resources (PAIRS) starting May 22, 2023.**

2. The main purpose of **PAIRS** is to disseminate the refereed assessment and instructional materials to the field as enhancement tools or support materials in teaching Science.

3. New materials added to PAIRS are composite of:

3.1 **Competency-Based Test Items (CBTI) for 2023-** developed by select Master Teachers and Supervisors in Science whose main aim is to provide a Test Bank of quality assured and field-tested Test items that are aligned to the Most Essential Learning Competencies (MELCS). The CBTI is complete from Grades 1-12 in Q1-Q4.

3.2 **Short Creative Video Lessons (Siyensikula) for 2023-** developed by our learners as entry to the Regional Science Fare last 2022 coached by our Science Teachers focusing on the critical learning content and topics in Science whose aim is to provide an understandable explanation of the seemingly difficult topic or the least learned competencies.

3.3 **Comprehensive Sexuality Education Lesson Exemplars** – developed by the Supervisors and Master Teachers in Science to utilize science teaching as a platform to integrate the seemingly sensitive discussion on Sexuality Education. The Lesson exemplars were carefully provided with readers' guide and meaningful activities to allow the learners to become informed decision makers and responsible individuals.

3.4 **PRIMER: The Regional Harmonized Curriculum and Guidelines in the Implementation of the Special Program.** PRIMER is a collaborative effort among the Education Program Supervisors in Science; supportive affiliates from DepEd RO7 Quality Assurance Division, and experts on curriculum content from HEIs to provide a clear guide to schools in the 20 Schools Division Offices of DepEd Region VII implementing the Special

Email Address: region7@deped.gov.ph

Program in Science. PRIMER is an initiative of DepEd RO VII to harmonize all the DepEd issuances and provide clear instructions to streamline the practices, implementations and provide recognition to schools implementing the program.

4. The materials are intended for classroom use in science subjects and not for any commercialized purposes. The materials are a work in progress and we appreciate your valued suggestions for the improvement of these resources. Please, feel free to communicate with us for any errors or critical observations. These materials are made by the science teachers for the science teachers in Region VII. We invite you to enjoy the fruit of our labor.

5. The materials are available through the Google Classroom: RO7 Science Repository with the code: q3i5eqj or click the link: <https://classroom.google.com/c/NTI2Mjk5MzYwNTk0>. This is accessible to all interested parties containing the following:

6. Attached is the **Google Classroom Interface of the PAIRS**. The EPS/Coordinator in Science is requested to organize a meeting with the district coordinators in science for proper orientation on the use of PAIRS.

7. For inquiries, kindly contact Dr. Bryant C. Acar, R7 EPS Science at bryant.acar@deped.gov.ph.

8. Immediate dissemination of and compliance with this Memorandum are directed.
