Dear Dr. PAULIN:

We are pleased to inform you that AMA Education System (AMAES) will now be accepting students from the public schools without any additional fees as part of our NO TOP UP OFFER. The voucher given by the Department of Education will be sufficed to cover the full tuition fee.

This indeed is a great decision on the part of AMAES management and serves as our way of helping and assisting our stakeholders to cope with the current economic situation in the country.

Furthermore, AMA also offers College programs that match with the need of the Industry for easy access to job opportunities in the future at affordable tuition fees.

As you have done in the past years, we are now looking forward to your usual support by allowing us to disseminate this GOOD NEWS to the students thru face-to-face school campaign in your Division.

Lastly, thru your principals, we are as usual requesting for the list of Grade 10 and Grade 12 students (better with contact numbers) as a way of contacting to the students directly.

Thank you.

Very truly yours,
