Neri C. Ojastro, Ed.D.
Schools Division Superintendent
Division of Negros Oriental

Dear Dr. Ojastro,

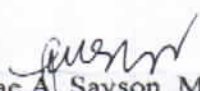

Every July, the Philippine Heart Association, Council on Cardiopulmonary Resuscitation, holds a free Hands Only CPR training to the public as part of the National CPR Day activities. This year we have resumed this activity after the pandemic and this time, we have included teaching the participant how to use an AED (Automated External Defibrillator). This event is in support of the council's desire to have a CPR ready Philippines.

In this regard, we would like to invite the teachers and employees of the Department of Education to join us in this activity. This will be on July 17, 2023, 8:00 AM to 12:00 noon, at Robinsons Mall Calindagan, lobby area, between Jollibee and KFC. If possible, we would like to have a list of the participants ahead of time to facilitate printing of certificates. Please forward the list to our messenger account: PHA Mass CPR July 17, 2023
