SUBJECT : REQUEST FOR A LEARNING AND DEVELOPMENT NEEDS ASSESSMENT SURVEY ON SCHOOL-BASED DISASTER RISK REDUCTION

Dear **DR. JIMENEZ:**

Warm greetings!

As we move towards the next big step in our collaboration project – *Project on Strengthening and Promoting School-based Disaster Risk Reduction in Central Visayas*, SEEDS Asia in partnership with the Education Support and Services Division (ESSD) and Human Resource Development Division, is assessing the learning and development needs of School DRRM Teams in the Schools Division of Offices – Human Resource Development Section (HRDS).

In view of the efforts for learning and development, we aim to assess the proficiency level of the School DRRM Teams on school-based disaster risk reduction. The target respondents for this survey are the School DRRM Coordinators.

The results of this survey shall form part of the roadmap and shall inform subsequent actions and decisions of the Office in its efforts to ultimately hone the human resources in the performance of their mandates.

In line with this, may we request your honorable office for the issuance of a Regional Memorandum **to administer the Learning and Development Needs Assessment Survey via Google Form** for immediate dissemination from September 11-13, 2023.

Kindly access the LDNA Survey Form here: <https://forms.gle/evqVgB4ue4gspBcXA>.
