The Universal Health Care Act (UHC) aims to ensure that all Filipinos are guaranteed equitable access to quality and affordable health care goods and services and protected against financial risk. Pursuant to this, the Philippine Health Insurance Corporation (PhilHealth) adopted a comprehensive approach in delivering primary care through the development of the PhilHealth Konsultasyong Sulit at Tama (Konsulta) Package. The PhilHealth Konsulta package covers preventive care including consultations, health risks screening and assessment, 13 laboratory tests, and 21 maintenance drugs and medicines.

To avail this package, the DepEd Central Office, in coordination with PhilHealth, shall assist all DepEd PhilHealth members in updating their PhilHealth membership records as well as with their Konsulta registration.

In this regard, this Office, through the Bureau of Human Resource and Organizational Development - Employee Welfare Division (BHROD-EWD), requests all Regional Offices to accomplish the MS Excel template, which may be accessed via this link: https://bit.ly/Konsulta_ExcelData and ensure that all employees, teaching and non-teaching personnel from the Schools Divisions Offices down to the schools, are included in the list.
