Social Mobilization and Networking Unit

Dear Ms. Senen:

It is our privilege to introduce you to our organization to help our community. In view of mission to promote visual and accessible optometric services in support to wellness and resiliency of learners you will sustain the partnership which we have started in 2018. We would like to conduct a free comprehensive eye examination to all your government office, employees, children and adults with or without visual problems, stress related vision problem, learning related visual problem and vision therapy for all ages in your area. We believe that perfect visual health can drastically increase work efficiency, productivity and improve the overall wellbeing and disposition of everyone.

We offer **free prescription eyewear glasses to children** with refractive error and a variety of affordable eyewear prescriptions, both practical to improve, protect and correct one's vision. In addition, we will provide **free post visual care for families and friends of those who will avail our optometric services as part of our mission** to impart a clearer vision to society. To accommodate everyone, we offer **free reading eyeglass frames to alleviate the financial burden.**

If your employee, children and adult to be diagnosed with cataract, we refer patients to our partner *Doctors Serving the Community Foundation, Inc.* that **provides Pro Bono service** in collaboration with private ophthalmology practice. By working together with members of the community, the Foundation can perform dramatic, life changing surgery for thousands of Filipinos every year at no cost with their partner hospitals in Cebu City..

The following schedule is set for your offices: TBD (*To Be Determined*).

As such we would like to **request that this information be disseminated** to your ABC Members, SK Officials, OSCA, DSWD, DepEd, MHO, Barangay health workers and other concerned officials and departments. Hope this proposal merit's your approval on this activity that aims to support your constituents and help them improve the quality of their lives.

We invite you to contact us at +32 326 5119 Cebu office; +65 212 8946 Dipolog clinic; +943 351 4237 Dr. Bolls mobile number for inquiry. Thank you very much!

Working with you in part of our success,

WINSTON A. BOLLS OD, MBA, LLB
Optometrist | PRC License no. 008952
