It is expected that the School Principals through their School Student Teacher Coordinators assign the student teachers whose names are in the attached list to the chosen teachers who can be the best mentors or cooperating teachers.

Public Partners Schools are strongly encouraged to do the following:

1. Assign a student teacher to a qualified cooperating teacher in coordination with the school department head/chairperson and with the University/College Student Teaching Supervisor;
2. Conduct regular conference with the cooperating teachers as regard the performance of the student teachers;
