SENEN PRISCILLO PAULIN, CESO V
Schools Division Superintendent
Division of Province of Negros Oriental
Dumaguete City

Dear Dr. Paulin:

Greetings!

Metro Dumaguete College Inc. will soon be offering the following TESDA courses namely Diploma in Agro-Marketing Technology (DAMT) and Diploma in Modern Agro-Development Technology (DMADT). The college aims to provide services that are unique and relevant to the modern times. MDC sees a potential in the agricultural sector side that leads them to the idea of offering agriculture in a hybrid way. Students who will be enrolled in this course, will not just learn how to cultivate a farm but they will be taught to sell and operate agricultural technology. The students who can avail this course are those graduates from K to 12 programs and Accelerated Learning System (ALS) program.

In this connection, we would like to seek permission to conduct a survey from among your secondary high schools in Sibulan that offer senior high school namely:

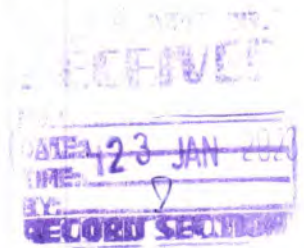

1. Negros Oriental High School
2. Boloc-boloc High School
3. Sibulan Science High School
4. Sibulan National High School
5. Ajong National High School

We are hoping for your positive response.

Thank you.

Respectfully yours,

DELMA P. MANILA CESO V
President
