January 26, 2023

MR. SENEN PRISCILLO P. PAULIN, CESO V
Schools Division Superintendent, DepEd Division of Negros Oriental
Capitol Area, Dumaguete City Negros Oriental

Dear Mr. Paulin:

Greetings from the Zero Waste Youth - Negros Oriental!

January of every year has been declared as National Zero Waste Month by former President Benigno Aquino III through Proclamation No. 760 which he signed on May 5, 2014. Zero Waste or "Walay Usik" is a philosophy, a way of life, a goal, and a plan of action that aims to maximize recycling, minimize waste, reduce consumption and ensure that products are made to be reused, repaired, or recycled back into nature or the marketplace.

Together with the Silliman University Student Government (SUSG) Environment Committee, we are planning to organize an environmental convergence called "**Zero Waste Convergence: #SustainableSchool**" which will happen on **February 10, 2023 (6:00 AM to 5:00 PM)** at SU Hall, Silliman University.

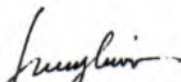

This is a gathering of students and youth leaders from the different schools and institutions of Dumaguete City where the zero waste advocacy is being discussed in depth and the Global Plastic Free Campuses campaign is introduced, immersing the participants in the campaign rationale, methodology, and a granted access to resources.

In this regard, we are asking schools from your division to send at most **two (2) student-leaders/representatives** from the Student Government of secondary and elementary schools. Moreover, we would also appreciate having **one (1) teacher-chaperone**. We fully acknowledge Negros Oriental Division's thrust in environmental advocacies especially on its goal to become a plastic-free and zero-waste campus, and as such, this event would be an avenue for student networking around Negros Oriental.

Should you have any questions or concerns, please do not hesitate to send a message to 09357131294 or email externalaffairs@zwynegor.org. A meeting can also be set to discuss the event in detail at your most convenient time.

We are hoping for your positive response and looking forward to collaborating with you. Thank you and happy Zero Waste Month!

Sincerely yours,

HENRY CAESAR BLANCO

January 31, 2023

MR. SENEN DRISCILO P. PAULIN, CESO V
Schools Division Superintendent, DepEd Division of Negros Oriental
Capitol Area, Dumaguete City Negros Oriental

Dear Mr. Paulin:

Greetings from the Zero Waste Youth - Negros Oriental

On January 27, 2023, a letter was dispatched and received by the Receiving Office of DepEd Negros Oriental Division inviting secondary and elementary schools in the division to join the annual environmental convergence called "Zero Waste Convergence: #SustainableSchool" which will happen on February 10, 2023 (6:00 AM to 5:00 PM) at SU Hall, Silliman University.

This is a gathering of students and youth leaders from the different schools and institutions of Metro Dumaguete where the zero waste advocacy is being discussed in depth and the Global Plastic Free Campuses campaign is introduced, immersing the participants in the campaign rationale, methodology, and a granted access to resources.

With this, we are writing this **amendment letter** to correct certain details stated in the letter of invitation which was sent on the aforementioned date. We would like to clarify that **we only are inviting SECONDARY SCHOOLS** from your division. This is due to the reason that the information to be discussed in the event is quite technical and extensive for elementary pupils to learn and comprehend. The requested number of participants, however, is still **two (2) student leaders/representatives** from the Student Government of secondary schools and **one (1) teacher-chaperone** per group.

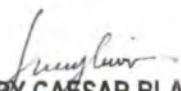

Moreover, we would also like to mention which schools we are expecting to join the said event as this was not stated in the previous letter. We believe that these schools can help start up the environmental advocacy through student government platforms in the schools' division. The schools are:

- Negros Oriental High School
- Sibulan National High School
- Sibulan Science High School
- Ong Che Tee - Bacong High School

Should you have any questions or concerns, please do not hesitate to send a message to 09357131294 or email externalaffairs@zwynegor.org. Furthermore, to confirm the division or school's participation, you may reach out to the same number and email indicating the response and number of expected participants from the group/school.

We are hoping for your positive response and looking forward to collaborating with you. Thank you and happy Zero Waste Month!

Sincerely yours,

HENRY CAESAR BLANCO
