DR. NARI C. OJASTRO EdD, CESE

Schools Division Superintendent

DepEd Division of Negros Oriental

Greetings from the BCA Group, the Rotary Club of Dumaguete, and the Rotaract Club of Dumaguete.

Once again in October, we join the millions of men and women in the world in observing Breast Cancer Awareness Month. Research has shown that one in eight women will be diagnosed with breast cancer in her lifetime. In the Philippines, breast cancer is the most common type of CA among women and is the third leading cause of cancer-related deaths. According to the World Health Organization, early detection of breast CA affects survival rates, and when identified early, treatment can be more effective. Research has also shown that implementing activities that increase women's awareness about breast CA and promote early detection are important steps to reduce the burden on women and their families.

*We have lined up a number of activities for the month of October this year, one of which is our **2nd Breast Cancer Fun Run on October 8, 2023** to help raise funds for our breast cancer awareness campaign.*

This annual activity in the world, and particularly in Dumaguete, is meant to show our love and support for the important women in our lives – wives, mothers, sisters, girlfriends, aunts, and friends -- who have been, or could be impacted by the dreaded breast cancer.

The funds we hope to raise will benefit Dumaguete residents with breast cancer who may not have access to life-saving screening services, mammogram services, hope kits, or some assistance for the prescribed breast CA medication.

*We need your support to help us reach our goals in one or both ways: We invite your group to participate in our **2nd Breast Cancer Fun Run (1K, 3K, 5K, 10K categories)** this coming **October 8, 2023 at Pantawan, Rizal Boulevard, Dumaguete City**. The registration fee is **₱250.00/person** and it includes a **RAFFLE ticket and Running Bib**. You can wear your uniform or any white or pink t-shirt. You can also buy a **BCA FUN RUN T-SHIRT** for **₱200**. Assembly time is at **5am**.*

*We hope for your positive response. You can please contact Rotarian SHEILA MARIE MARTINEZ at 09175258489 who will gladly attend to your interest of support for our **2nd Breast Cancer Fun Run**. Thank you very much and more power! Together, we rise to the challenge to "ensure that every woman has access to the screening she needs and the support that she deserves."*

Sincerely yours,

Rudolf Daniel Parreño
