**MR. SENEN PRISCILLO P. PAULIN, CESO V**  
Schools Division Superintendent, DepEd Division of Negros Oriental  
Capitol Area, Dumaguete City Negros Oriental

Dear Mr. Paulin:

Greetings from the Zero Waste Youth - Negros Oriental!

On January 27, 2023, a letter was dispatched and received by the Receiving Office of DepEd Dumaguete Division inviting secondary schools in the division to join the annual environmental convergence called "Zero Waste Convergence: #SustainableSchool" which will happen on February 10, 2023 (8:00 AM to 5:00 PM) at SU Hall, Silliman University.

This is a gathering of students and youth leaders from the different schools and institutions of Dumaguete City where the zero waste advocacy is being discussed in depth and the Global Plastic Free Campuses campaign is introduced, immersing the participants in the campaign rationale, methodology, and a granted access to resources.

We would like to inform you that there has been a change of date. In line with the recent passing of our National Scientist for Marine Biodiversity, Dr. Angel Alcala, the organizers decided to **move the event date from February 10 to February 17, 2023** as the former date is the burial of the late environmental champion. As an organization for the environment, we consider February 10 as the day of mourning for all environmental advocates, organizations, and other relevant groups.

However, the request to send at most **two (2) student leaders/representatives** from the Student Government of secondary schools and **one (1) teacher-chaperone** per group still persists.

Should you have any questions or concerns, please do not hesitate to send a message to 09357131294 or email [externalaffairs@zwynegor.org](mailto:externalaffairs@zwynegor.org). Furthermore, to confirm the division or school's participation, you may reach out to the same number and email indicating the response and number of expected participants from the group/school.

We are hoping for your positive response and looking forward to collaborating with you. Thank you and happy Zero Waste Month!

Sincerely yours,

**HENRY CAESAR BLANCO**

**JAMES JHARRET ABRINGE**
