20 FEB 2023

Dr. Senen P. Paulin , CESO V  
School Division Superintendent  
Division of Negros Oriental

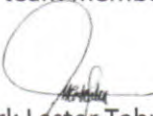

Dear Dr. Paulin,

Warmest greetings!

Southwestern University PHINMA values the partnership with the Negros Oriental schools because this relationship provides both our institutions the opportunity to properly guide students in making a sound choice for the next level of their academic journey. Amidst the pandemic, our commitment to your students on career guidance did not stop since we delivered this activity remotely. With learning slowly transitioning back to a face-to-face setup, we are recognizing the need to help more students realize their limitless potential by doing similar activities in person.

The School Visits and Career Guidance are conducted at schools located in cities and provinces where most of the enrollees of SWU PHINMA are coming from, in which Negros Oriental is one of the top feeder areas. During these sessions, SWU PHINMA hopes to introduce to the students the path they could take through its programs, services, and scholarship grants which they could avail to help them become the best they can be.

As such, may we seek your permission and allow our team to do a 15-20 minute talk to the Grades 10 and 12 students in the schools under your Division. If amenable, we wanted to share the great news with your students on February 27 to March 1, 2023. If further details are needed to merit your approval, our team member will be more than glad to accommodate:

Mark Lester Tabuelog  
Program Officer-Outside Cebu  
Tel: 416 4680  
Mobile: 0975 315 5080  
E-mail: [mstabuelog.swu@phinmaed.com](mailto:mstabuelog.swu@phinmaed.com)

Cheryl Jane P. Chan  
EVP & COO

We look forward to a stronger partnership with you. Thank you very much.

*Southwestern University PHINMA a university located in Cebu City is a proud member of PHINMA Education, a fast-growing network of schools in the Philippines and Indonesia.*

*SWU PHINMA aims to enable students to become the best that they can be by providing practice-focused, relevant, hands-on learning and creating an empowering and vibrant student life and community.*
