Dear Mr. Paulin,

My name is Scott Tsao, and I am an assistant at the Indigenous Student Resource Center of Shu-Te University in Taiwan. We are planning to visit the Philippines from **June 26 to July 2, 2023** for a cultural exchange activity with the indigenous peoples.

We are eager to establish deeper connections with the Austronesian peoples and plan to lead a group of Taiwanese indigenous students to the Philippines for a cultural exchange. We hope to deepen our understanding of the local culture through cultural learning and visits, including food, traditional clothing, handicrafts, music and dance, and architecture, among other forms of cultural expression from the various indigenous groups in the Philippines. At the same time, we will also introduce the cultural background of Taiwan's indigenous peoples and showcase traditional dance performances, as well as highlighting the unique cultural characteristics of Taiwan's indigenous peoples. This will be a great opportunity to strengthen the connection between the indigenous peoples of the Philippines and Shu-Te University.

Attached is our "Planned Itinerary," and we would be honored to visit and learn from you. If you have any questions or concerns, please do not hesitate to contact me. We look forward to hearing back from you soon.

Sincerely,

Scott Tsao
