Dear Sir,

Greetings!

The Philippine Dental Association is holding our PDA – Dolfenal Regional Scientific Conference for Central Visayas and PDA – Negros Oriental Chapter will be the host. We are inviting all DepEd Dentists of the Division of Negros Oriental to attend on December 7, 2023, 1 to 5 PM a Every Event Place at Claytown, Daro, Dumaguete City.

The said event will enrich the knowledge of the dental community in the region including Negros Oriental. We will be hosting three different following lectures: **Extreme Bracket Positioning with SAP (Smile Arc Protection) Technique** by Dr. Jose Vicente Araneta, **Periodontal-Restorative Interconnection: The key to Restoring Function and Optimizing Esthetics** by Dr. Celina Garcia and **Diagnosis and Management of Problematic Cases in Prosthodontics, Treatment Options: Surgical and Non-Surgical** by Dr. Dario Reyes to help further the knowledge of dentists. The dentists will also be able to replenish their dental stocks and equipment with our onsite Dental companies. Lastly, this will be a gathering to connect all dentists from young to senior to build connections and unity for every dentist in Central Visayas.

Hopefully with your kind heart, you can allow your competent dentists to attend the event. Thank you very much.

Respectfully yours,

Dr. Ethel Ygot Basollina
President
PDA – Negros Oriental
