Dear Dr. OJASTRO,

Good day!

World AIDS Day observance is a global community mobilization campaign. The first activity took place in 1988, providing a platform to raise awareness about HIV/AIDS and honor the lives affected by the epidemic. This year marks the 35th commemoration of this important day with the theme “World AIDS Day 35: Remember and Commit.”

This global event is observed every 1st day of December and in Dumaguete City, it is initiated by the Dumaguete City HIV/AIDS Council (DCHAC) and its stakeholders.

In this regard, may I respectfully invite you and your medical staff to join the activity on December 1, 2023 at the Pantawan, Dumaguete City. There will be a Fun Run for a Cause at 5pm to be immediately followed by a short program. Fun Run Registration shall be at CHO and on-site.

Thank you for your support and together let's make a difference in the lives of people living with HIV/AIDS.

Very truly yours,

MARIA SARAH B. TALLA, MD
City Health Officer II
