Dear Sir:

Greetings!

Nursing Day is a celebration among nursing students at Negros Oriental State University that has become part of the academic year. It allows students to unwind after a long semester and be acquainted with nursing students from different year levels. To enhance relationships, camaraderie and companionship among nursing students, we will be holding a Nursing Day on the 15th of February 2023 at NORSU Main Campus I, which will involve team building activities and showcasing of talents and skills among nursing students.

Apart from the objectives mentioned, the event also endeavors to inspire nursing students to keep going and stay motivated despite the demands and academic responsibilities of the course. In this regard, we would like to invite you as our motivational speaker during the opening ceremony at 8 a.m. We appreciate it if you could discuss more about mental health and your personal experiences of how you successfully hurdled nursing school.

We are really hoping for your positive response to our request. We are confident that we will learn a great deal of lessons from your speech.

Thank you and may God bless us all!

Respectfully,

KATTY MISIROSS D. BUGTAY
President, Norsunian Nursing Student Society
