MR. SENEN PRISCILLO P. PAULIN, CESO V
Schools Division Superintendent
Division of Negros Oriental
Capitol Area, Dumaguete City

Dear **Mr. Paulin**,

Good day!

Though Negros Oriental is still free from African Swine Fever (ASF), its continuing outbreak at the Luzon, Mindanao and some in eastern and western part of Visayas remains a threat to our swine industry. Thus, the Provincial Government and our partners intensified the coordination on blocking the entry of pork products from other provinces that are greatly affected by the said disease just to prevent it from affecting/spreading in our province.

In connection with this, we shall hold a *Massive Information Campaign for the emergency response to African Swine Fever to tighten such cause* this coming **March 21, 2023, 8:00-5:00** at the **Plenary Hall, Negros Oriental Convention Center, Dumaguete City, Negros Oriental**. Hence, we expect your attendance during this convergence for the good of our industry and province.

We are hoping for your favorable response on this matter.

Thank you!

Sincerely,

BELINDA B. VILLAHERMOSA
