SENEN PRISCILLO P. PAULIN, CESO V
Schools Division Superintendent (SDS)
Negros Oriental Province -SDO

Thru: Dra. Karina Dela Cruz. MD
School Health and Nutrition Section

Dear SDS Senen,

Greetings from The Fred Hollows Foundation!

This letter is in line with our current partnership with the Department of Education Central Office in the implementation of the National Vision Screening Program for Kindergarten Children which is in support to RA 11358, also known as the National Vision Screening Act signed by former President Rodrigo Duterte last July 31, 2019.

As we move toward the end of our project engagement this coming April 14, 2023, we will be having our **in-person (face-to-face) Program/Project Implementation Review** this coming **March 28 to 30, 2023 which will be held at Holiday Inn & Suites Makati, Glorietta Mall, Palm Dr, Ayala Center, Makati, 1224 Metro Manila.**

The activity aims to assess the results of the program implementation in terms of what went well and what didn't work well. It will also highlight on the program's major accomplishments, best practices, success stories as well as on its strengths, gaps or/ implementation weaknesses and ways moving forward.

The activity will officially start on March 28 at 1:30 PM after checking in at the hotel and it will end on March 30 at 2:00 in the afternoon. The Foundation will cover the cost of transportation/airfare, accommodation, and meals of all the participants.

Since the activity is a good venue for NVSP program implementers to be informed about the results, findings, conclusions, and recommendations concerning the implementation of the program, it is our great pleasure to invite the following personnel to join us in this activity:

- a. The Chief of the School Governance Operation Division.
- b. School Health and Nutrition Head or the Nurse In charge; and
- c. National Vision Screening Program Focal.

We highly recommend their presence/attendance to the said activity as all the above personnel play a very critical role in sustaining the implementation of the program even after the project engagement is over.

We sincerely hope that your division will be able to confirm their attendance **not later than March 15**. Attached herewith a confirmation note/slip to collect the details of those who will confirm attendance. A detailed and final program of activities will be sent within the week.

www.hollows.org

We are pleased to inform you that we have also invited the Provincial Health Officer, Eye Health Coordinator, and the Committee Chair on Health from the Province of Negros Oriental. We are confident that their attendance will further strengthen local partnership between LGU and DepEd in sustaining the program particularly on the referral system from the schools to the public eye centers.

Should you need additional information, please feel free to send email to Ms. Helen Piana, our Program Manager at hpiana@hollows.org or you may call her at mobile no. 09182929113.

Thank you for your continued support to the program. We are looking forward to welcoming the participants from Negros Oriental province.

Very truly yours,

MARIA VICTORIA RONDARIS, MD, MPH
Country Manager
