Dr. Neri C. Ojastro, EdD, CESE
Schools Division Superintendent
Department of Education
Division of Negros Oriental
Capitol Area, Dumaguete City

Dear **Dr. Ojastro**,

A Healthy Nutritious Day!

The occurrence of emergencies and disasters has risen dramatically in recent years, with a parallel growth in the numbers of stricken communities, refugees and internally displaced persons. It threatens human lives and public health, often resulting in food shortages, impaired or jeopardized nutritional status community, and even causes excess mortality in all ages.

Furthermore, the Provincial Nutrition Committee of Negros Oriental developed Nutrition in Emergency Plan which includes action for Preparedness, Response and Recovery and the Disaster Risk Reduction Management in Health (DRRM-H) will conduct capability building for the management during calamities and disaster, thus reducing vulnerability of the population and mitigating the consequences of potential nutrition crisis.

In this connection, we would like to invite **1participant** to attend a live out training on August 23-25, 2023 at Bethel Guest House, Dumaguete City. We look forward for her/his attendance as we continue to ensure the health and nutrition well-being of all NegOrense.

Thank you very much for your continued support and cooperation. God bless and more power.

Very truly yours,

LILAND ZOILA B. ESTACION, RN., M.D.
Provincial Health Officer II
